4. The Operational Creditor, vide its Rejoinder dated 27.02.2023, stated that the amount mentioned in the petition is payable to the Operational Creditor, and denies having received notice of dispute with respect to the said debt and that the Corporate Debtor has admitted outstanding dues of INR 13,53,590.87 as on 31.03.2019 vide letter dated 14.09.2019.

4.1 The Operational Creditor states that between period of 01.04.2019 and 21.02.2020, 95 bills were issued amounting to INR 1,93,93,908.96 as mentioned in para 7 and 8 of the petition and in the said period total amount of INR 55,93,273/- has been paid and/or adjusted and as on 21.02.2020, there was an outstanding of INR 1,38,00,635.96/-.

- 4.2 There was outstanding of INR 1,61,94,427.69 as on 13.07.2020 as mentioned in para 10 of the petition. He further states that the Operational Creditor has given the proper statement of accounts from page No. 9 to page 21 of the Petition, wherein the details of the paid and unpaid invoices of the relevant period are also mentioned.
- 4.3 The Operational Creditor stated that the Corporate Debtor has time and again given settlement proposal but the same were not viable.
5. We have perused the documents and pleadings available on record and considered the arguments of both the sides.
- 5.1 This Bench notices that the Corporate Debtor has only stated that the claim of Operational Creditor is false and frivolous, and has not brought on record any communication or details substantiating this contention. The Corporate Debtor has taken a plea of counter claim and the investments made by it in making the premises fit for multiplex business. It is seen that no such counter claim has been filed and the Corporate Debtor in its reply dated 06.10.2022 has simply stated that it reserves its right to file claim before appropriate authority in respect to counter claims. Further, the corporate Debtor has also stated that they are working on settlement with the Operational Creditor.
- 5.2 In view of aforesaid findings, this Bench is of the considered view that the defence of pre-existing dispute taken the Corporate Debtor in its reply is a moonshine defence and is without substance and devoid of any substantial evidence showing existence of dispute before the issuance of demand notice. The Corporate Debtor's statement regarding attempts to

settle with the Operational Creditor with respect to the outstanding dues is enough to consider the admission of liability on its part.

- 5.3 The Operational Creditor has annexed the ledger statement for the period from 01.04.2019 till 05.07.2020 to the present petition in which the outstanding principal amount is reflected, and has also filed a statement reconciling the said amount with the amount payable as on 01.04.2019 confirmed by the Corporate Debtor. It is noticed that, the Corporate Debtor has admitted a sum of Rs. 13,53,591/- payable as on 31.03.2019 in response to letter from Statutory auditor of the Operational Creditor dated 14.09.2019 seeking confirmation of the said amount. This Bench finds that there exists a debt and default of the said debt on the part of the Corporate Debtor.
- 5.4 We find that the debt due by the Corporate Debtor against the Operational Creditor falls within the definition of Operational Debt u/s. 5(21) of the Insolvency and Bankruptcy Code, 2016. The Operational debt is defined u/s 5(21) of the Code to mean “a claim in respect of provision of goods or services including employment or a debt in respect of the repayment of dues arising under any law for the time being in force and payable to the Central Government, any State Government or any local authority”.
- 5.5 This Bench is of considered view that there is no reason to deny the Petition under section 9 filed by the Operational Creditor to initiate the CIRP against the Corporate Debtor.

6. On perusal of the documents submitted by the Applicant, it is clear that an operational debt amounting to more than Rs.1,00,00,000/- (Rupees One Crore Only) is due and payable by the Corporate Debtor to the Applicant as the required threshold limit to file a petition u/s 9 of the Insolvency and Bankruptcy Code, 2016 and there is default by the Corporate Debtor in payment of debt amount. The Corporate Debtor has not notified the existence of any dispute. The application is complete and has been filed under the proper form. In view of the above, we find that the present case is fit for admission under section 9(5)(i) of the Insolvency And Bankruptcy Code, 2016.
  
7. This Bench finds that C.P.(IB)/1017(MB)/2021 filed by M/s. Rave Real Estate Private Limited and C.P.(IB)/927(MB)/2021 filed by M/s. Rave Moti Entertainment Private Limited, u/s 9 of the Code claiming default in payment of operational debt amounting to Rs. 6,14,31,658/- And Rs.5,02,23,672/- respectively. Both the applications seek admission of the Corporate Debtor into CIRP. These applications were also heard by the Bench and were reserved for orders on 03.07.2023, when the present application was pending for pronouncement of orders. Since this Bench is admitting the Corporate Debtor into CIRP in the present petition, i.e. C.P.(IB)1149/2020, both these Petitions C.P.(IB)/1017(MB)/2021 and C.P.(IB)/927(MB)/2021, become infructuous and are dismissed accordingly. The Petitioners in C.P.(IB)/1017(MB)/2021 and C.P.(IB)/927(MB)/2021 shall have liberty to file their claim with the Interim Resolution Professional appointed in the present petition.
