# Integrated Transaction Focused Approach

### One team and single point accountability

The transaction team works as one team with one-point project coordinator to present a consistent and triangulated view of the historical performance as well as the future sensitivities.

### Maximize synergies and no duplication of work

We use the same data sets and the same definitions to perform the historical as well as the future analysis to ensure that there are no data definition flaws. Historical analysis and outlook are synced together to ensure a seamless view.

### Deep understanding of the sector

We bring in deep sector / industry understanding with local market knowledge and maximum level of senior level involvement with the Client.

### Seamless delivery of high-quality services

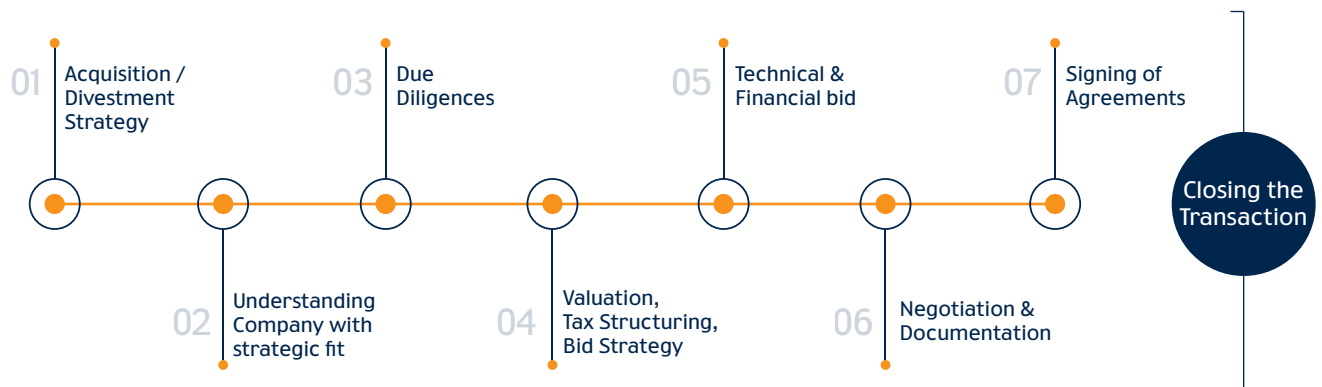

An integrated approach helps in maximizing synergies and avoid duplication of work. There are timely inputs to the Client through consultative approach. The Client team spends minimal time integrating findings as we present integrated recommendations.

# Deal Life Cycle

The success of a transaction depends on the comprehensive and integrated support provided through the Deal Life Cycle

Adequate attention needs to be placed for identified strategic benefits.

RBSA provides integrated services to the Client through the Deal Cycle i.e. developing acquisition/divestment strategy, understanding of the Company till the Closing of the Transaction.

- For transaction purpose
- For issuance of ESOPs and valuation of perquisites in the hands of employees
- For Financial Reporting

### Valuation requirements for PE/VC funds

- For transaction purpose
- For compliance purpose
- Financial Reporting/for Value Reporting to Investors

# Valuation Under IBC

Valuation of assets is a key factor for an "informed decision making" under the Insolvency and Bankruptcy Code (IBC).

A key objective is to be transparent and have credible determination of value of the assets to facilitate comparison and informed decision making by the committee of creditors. We are a Registered Valuer Entity ("RVE") for all the three categories of assets viz

- Land & Building
- Plant & Machinery
- Securities or Financial Assets

We have extensive experience in valuation of assets under IBC and have acted as a valuer in more than 90% of the initial top 12 companies which contributed to almost 25% of the NPA's of PSU Banks of India, identified to be taken through IBC route by Reserve Bank of India.
